## Policy 03 Safe Transport Policy

### Policy Statement

West Scarborough Junior Rugby Union Club (WSJRUC) is committed to all members, volunteers and visitors to the club and acknowledge the role sporting clubs and associations play in building strong healthy communities.

### Principles

- WSJRUC has a duty of care in relation to the health and safety of our members, volunteers and visitors attending any Club games, special events, functions and other activities.
- WSJRUC upholds the reputation of our Club, our sponsors and partners.
- WSJRUC understands the risks associated with alcohol use and driving, and our role in minimising risk.
- WSJRUC recognises drink driving is one of the main causes of road deaths in Australia.
- WSJRUC understands driving when over the legal blood alcohol limit is illegal and hazardous to individuals and the wider community.
- WSJRUC understands mixing drugs (including prescription medication) with other drugs or alcohol can seriously affect the ability to drive safely.

### Rationale

Ensuring members, visitors and guests getting to and from Club games, activities and events safely is an important part of being a responsible, healthy club.

While **WSJRUC** wishes to avoid club members becoming intoxicated it also notes that the National Health and Medical Research Council recommend no more than four drinks are consumed in one sitting. As part of our Club's duty of care we encourage our members to plan safe transport home to reduce the risk of drink-driving, injury or worse.

Alcohol and drugs affect pedestrians and drivers' abilities to stay safe. They affect decision-making, reaction times, speed and distance judgements, concentration, balance, perception and alertness. It can also increase risk-taking behaviour by giving a pedestrian or driver a false sense of confidence.

Sporting clubs such as ours help prevent drink driving related tragedies in the community by improving safety around transport and minimising the risk of developing a drinking culture.

## Implementation

### Transport for Club activities outside of the club

This safe transport policy applies for all activities undertaken by the Club that involve the serving and/or consumption of alcohol.

WSJRUC club will:

- Ensure that Bar staff/servers of alcohol hold a current and valid Responsible Service of Alcohol (RSA) certificate.
- Promote strategies that encourage members to plan how they'll get home safely before they go out e.g. pre-arranged transport.
- Print safe transport messages on relevant club activity and event invitations or flyers.
- Ensure the MC for events or Club committee members advise attendees that the club is a Good Sports accredited club, communicate the safe transport options and regularly remind attendees to behave responsibly around alcohol.
- Ensure telephone calls can be made free of charge to call a sober person to provide transport from the club or venue.
- Use a range of taxi or ride share strategies such as:
  - Free telephone calls to arrange a taxi to provide transport from the club or venue.
  - The Club committee will pre-order taxis to arrive at a club or venue at the conclusion of a club event or function.
